

## Services for People with D i s a b i l i t i e s

### Duplicated Count of Consumer Entering Services from the Waiting List by Service Type (FY2006)

This count includes individuals who came into Division services from the waiting list for the current fiscal year.

Please note that the same individual is counted for each service type they are now receiving (duplicative). For details on which payment codes were included in each service type grouping, please see chart details relating to each service type grouping.
